

#1884 STEP 'N STAND DUSTPAN

A high quality Libman dustpan with dirt removal teeth and step-on handle to minimize bending over and reducing strain on your back.

Product Features:

NEW!

1.25" long debris removal teeth.

13.5" wide polypropylene resin molded dustpan.

0.46 lbs.

Consumer Benefits:

- Built-in comb removes dust, dirt, pet hair, and more from broom fibers.
- Oversized, deep wells hold more dirt.
- Snaps onto large broom handles for convenient storage.
- Elongated handle to step on for greater stability.
- Convenient hanger hole.

Perfect for households with pets! Built-in comb quickly and easily removes pet hair from broom fibers.

Rigid plastic teeth to easily remove dust and hair from broom fibers.
